Please complete this form, enclose the fee and return to the NLAA Provincial Office.

NLAA - School Affiliation, PO Box 3202, Paradise NL A1L 3W4

(Please note the new mailing address)

(OVER)

Fee of \$30 - cheque/money order, must accompany application in order to process.

We DO NOT accept purchase orders.

DO NOT FAX OR EMAIL!

Affiliation Fees

Throughout the **School Year**, the Newfoundland and Labrador Athletics Association (NLAA) hosts and sanctions cross-country, track and field and road running events **organized exclusively for schools and school grades are used to determine the age categories**. To compete at these events, Schools/Students participant must be registered with the NLAA.

Fees:

School: During the **School Year**, schools may join the NLAA as associate clubs for \$30.00. At this point, school athletes may compete in NLAA-sanctioned events, which are **organized exclusively for schools, and School Grades are used to determine the age categories**. All school students will be eligible to participate in NLAA School Events. Schools are also eligible for any team awards.

Individual: Students from not affiliated schools must purchase a Day Permit in addition to any event fees. The One Day Permit Fee for Primary and Secondary School Athletes during the school year is \$1.00 (affects not affiliated schools). To be eligible for the reduced fee, a student must participate in events that are organized exclusively for schools and school grades are used to determine the age categories.

Competing at regular NLAA-sanctioned events would require an individual athlete to upgrade to a full NLAA membership or pay a Day Permit of \$5.00

Membership Benefits

Membership/Affiliation in the NLAA allows an athlete to compete in our sanctioned events. Every sport organization pays insurance as a corporate body on behalf of event organizers and athletes in case of legal liability or mishaps. Sanction fees and membership fees help to cover these costs and ensure that people will be willing to volunteer their time.

There are opportunities to benefit from courses and clinics -- as an athlete, official, or coach. The NLAA also supervises events to ensure that rules are followed and criteria maintained on an even basis throughout the province as possible. The NLAA also supervises Provincial Events and Road Running, Track and Field, and Cross-Country Championships.

Please complete this application in full and return it to the address listed overleaf. Please make cheques payable to:

Newfoundland and Labrador Athletics Association
or
NLAA

For more information, please contact the NLAA Provincial Office at 709-576-1303.
