 - 2.8.2. There is no limit to the number of events a competitor may enter in the Games; however, in most cases, the Games meet schedule does determine what is reasonably feasible for the athlete to consider.
 - 2.8.2.1. The Canada Games Coaching Committee reserves the right to limit the number of events an athlete with standards "B" or "Minimum" can enter at the Canada Games.
 - 2.8.3. All athletes must compete in the same event at the Selection Meet as they would in the Games.
 - 2.8.3.1. If an athlete wishes to compete in a different event in the Games, then they will have to be re-selected for that event. An athlete may be entered in additional events if performances in those event(s):
 - 2.8.3.1.1. Are equal to, or surpass, the published "Minimum" standard.
 - 2.8.3.1.2. Do not displace another athlete already selected in that event.
 - 2.8.3.1.3. Would not hinder performance in the primary selected event as determined by the Canada Games Coaching Committee in consultation with the athlete and personal coach.

-
- 2.8.3.2. Exceptions - Canada Games Coaching Committee may excuse athletes with an “A” standard in the 1500m, 5000m, and 3000m S/C to participate in those events so that they can compete in alternate events at the Selection Meet.
 - 2.8.3.2.1. The “Exceptions” process is not automatic, and athletes must apply to the Committee in writing at least two weeks before the Selection Meet.
 - 2.8.4. After being named to the Team and during the Canada Games competition, an athlete may only compete in the event(s) he/she was selected to the team OR as a relay member as outlined in the Athlete Selection Procedure. Exceptions as in 2.8.3.1.

Athletes are required to immediately report any injury, illness, or change in training that could affect their ability to compete at their highest level, the Canada Games. Notification must be sent to the NLAA office.
 - 3.4. Athletes unable to perform at the “Competitive Ready” level due to injury, illness, or lack of fitness will be evaluated in 2 distinct steps before their entry is confirmed to the team. The final decision on competitive readiness will be made by the Canada Games Coaching Committee at least one (1) week before team departure using all available information gathered in the 2-step process:
 - 3.4.1. STEP 1: Medical Clearance

- 3.4.1.1. To be completed by the athlete's doctors and health care providers and/or with assistance from personnel at the NL High-Performance Centre. The evaluation will include a detailed prognosis and an estimate of when the athlete can be cleared for training and competition without risking further injury or illness. This information will be provided to the NLAA office as it becomes available.
 - 3.4.2. STEP 2: Specific Evaluation
 - 3.4.2.1. When medical clearance has been granted, the athlete's fair and reasonable event-specific performance test will be completed and evaluated by the Canada Games Coaching Committee in consultation with the athlete's personal coach.
- 3.5. If the Committee cannot establish competitive readiness before departure, the athlete will not travel with the team.

- 4.7. If there are no legitimate grounds, the Chair of the Appeals Committee shall call or email the athlete advising her/him of the decision. This will be followed up with a formal letter to the athlete.
