Westjet scheduled flights

Westjet has provided the following check-in process for participants flying on their scheduled flights:

- Participants with only 1 piece of checked baggage are to use a self-check-in kiosk. Boarding passes and airline issued bag tags will be issued at the self check-in kiosk.
- Participants with 2 pieces or more of checked baggage are to use the Westjet specific “Check-in Assistance” counters. Boarding passes and airline issued bag tags will be issued at the check-in counter. This will ensure that sport equipment is properly tagged and sent to designated bag drop for oversized pieces.
- there should be no baggage fees for any participant when checking-in.

Please ensure that participants do not lose their airline issued bag tag(s) stickers as they will assist with tracking any lost or delayed baggage.

The Canadian Air Transport Security Authority (CATSA) provides the following guidance on how to pack your carry-on baggage: <https://www.catsa-acsta.gc.ca/en/how-pack-your-carry>. It’s also

highly recommended you bring as much of your competition as is permitted in your carry on (uniform, shoes, etc) in case your baggage is delayed.
